APPLICATION FORM 2020

Please read the 'Application Guidelines' available on the PERSPEKTIVE website before completing the application. Carefully verify that your project meets the fund's selection criteria and please note:

- PERSPEKTIVE's funding is aimed at temporary projects that promote exchange and dialogue between France and Germany: debates, cooperations, encounters, idea and research labs, workshops, conferences and symposiums.

- The invited participants are specialists in the fields of art or architecture. The funding is specifically aimed at French (or French-based) participants in Germany or German (or German-based) participants in France.

- The projects must be supported by a German or French organisation (museum, Kunstverein, art centre, architecture centre, project space, artist-run space, architect's office, and gallery). Projects from individuals as well as projects by or including students from (art) schools are not eligible for funding.

- PERSPEKTIVE funds a maximum of 30% of the total project budget.

Application deadline

December 1, 2019

The application for funding and all accompanying documentation must be sent by **email** before the end of the current application deadline to:
