

INVITATION

The PERSPEKTIVE fund and the team from the Office for Visual Arts of the Institut français Germany are pleased to invite you to the award ceremony of the 2024 Ideas Competition for Architecture - Dream Kitchen on the **Friday 8th November 2024 from 7 pm**.

Location : AEDES METROPOLITAN LABORATORY, Christinenstraße 18-19, 10119 Berlin

This year, the Ideas Competition invited participants to design a kitchen that responds to the challenges of our modern society. What does the kitchen look like when all major cities today are experiencing housing shortages? When inflation is continuing to drive up food prices and when restrictions on resources—even if simply access to clean water—impact the lives of millions of people? Whether small or large, indoor or outdoor, communal or individual, designed for conventional energy sources and food or for experimenting with new forms of cooking—anything was possible. The theme was narrowly defined and the only limits were the imagination and creativity of participants.

The ceremony will be accompanied by an exhibition showcasing the work of the 10 laureates, as well as a talk on the theme *Dream Kitchen* by the Franco-German architect, curator, and critic **Thibaut de Ruyter**.

The closing cocktail will be specially prepared by Satellit Berlin.
